Dearly Beloved in the Lord,

Grace, Mercy and Peace be unto you!

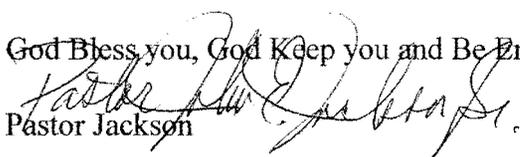

It is always such a wonderful feeling when Summer time roles around. There is something hopeful about the rays of God's Sun and something healing as well. I pray that you don't get "weary in well doing." The work of our Lord presses forward Sunshine and rain. We have an awesome assignment from the almighty. That assignment is to allow the brightness of the Son of God to glow through our good works. We have a blessed chance to be a beacon for those who are bruised and battered by the inconsistencies in this country. So please remember this Summer as you vacation to leave your tithe. The work has to go on and we are serving through the struggle of a financial Short fall. However God is a God of total sufficiency through the sacrificial giving of the saints of God. We all can't give the same thing but, we all can give something!

I thank you for supporting the "Soup Kitchen" and I ask that you would continue being consistent. Please touch somebody's life by bringing them to our soup kitchen on Saturdays from 1-3pm. Your ministry can even sponsor a Saturday in the soup kitchen or donate food and/or money.

We also have a "Summer feeding program" sponsored by the State of Indiana. That means Monday - Friday we serve breakfast and lunch right here at TUCC-Gary. We need your support. We need your help. There are many children who could benefit from a good breakfast and lunch this summer but we need you to help get them here. We need volunteers to help in the serving. Won't you please let your light shine in either the Soup Kitchen or the feeding program or both.

God has truly been good to TUCC-Gary. I want to share with you how one of our members blessed me two weeks ago. This member comes to bible class and showed up early one week (I don't have their permission to use their name). They wanted to go into the Sanctuary before class. When they got into the Sanctuary of our Sovereign I heard them give loud glorious praise to our God. It was after they saluted the Savior that they shared with me that God had answered a long night of prayer. That blessed me because they shouted to the Savior in His Sanctuary before sharing the testimony with me. That is mature, faithful devotion to the Almighty. That was like a soft summer breeze to my soul. We are being blessed, beloved. So please don't take it for granted. In fact we will be overwhelmingly blessed in Revival June 27th-30th by the anointed preaching of two Theological Titans. Dr. Jeremiah A. Wright, Jr. on Sunday 6/27/10 and three nights of Dr. Frederick D. Haynes, III (Monday-Wednesday 7pm each night). What a blessing! Finally we are on WGVE every Sunday from 10am-10:30am. Please let someone know they can hear us even if they are not here with us. You can also donate to keep us on the air as the cost has gone up a bit to \$75.00 per half hour. Please help if you can.

God Bless you, God Keep you and Be Encouraged!
