

## *The Youth Pastor*

William Hall was born on June 12, 1984 to Deloris Stewart and William H. Hall Jr. Both of his parents taught him to fear God, live in love, integrity, and compassion.

He decided to follow the voice of God and acknowledged God's command for him to preach His Word. Later William heard God's voice, and he also acknowledged God's command for him to pastor. In 2006, God suggested to Pastor Sean McMillan that William was capable of leading the youth at Giant Steps.

William spent his formative years at St. Leo the Great, St. Columbanus and De La Salle Institute. He then went on to study at Harold Washington College and DePaul University, receiving a Bachelor's degree in Economics while minoring in Religious Studies. In fall of 2008, he will be engaged in Post Graduate work at McCormick Seminary in Chicago, IL.

Some of his awards and recognitions include being a member Phi Theta Kappa, being on the President and Dean's List, (2) National Dean's List Publications, receiving the DePaul University's Spirit Award and serving as the DePaul University African-American Graduate Chaplain.
